## CHIROPRACTIC INFORMED CONSENT TO TREAT

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures, including various modes of physical therapy and diagnostic x-rays, and any supportive therapies on me (or on the patient names below, for whom I am legally responsible) by the doctor of chiropractic indicated below and/or other licensed doctors or chiropractic and support staff who now or in the future treat me while employed by, working or associated with or serving as back-up for the doctor of chiropractic named below.

I understand that results are not guaranteed. I further understand and am informed that, as in the practice of medicine, in the practice of chiropractic there are some risks to treatment including but not limited to fractures, disc injuries, strokes, dislocations, and sprains. The risk of cerebrovascular injury or stroke has been estimated at one in one million to one in twenty million and can be even further reduced by screening procedures. I do not expect the doctor to be able to anticipate and explain all risks and complications, and I wish to rely on the doctor to exercise judgement during the course of the procedure, which the doctor feels at the time, is in my best interests. I understand that any x-rays or other diagnosis completed is related to chiropractic only and is not for the identification of other diseases that may be present. Chiropractic is not a substitute for my general practitioner.

I further understand there are treatment options including but not limited to self-administered, over-the-counter analgesics and rest, medical care with prescription drugs such as anti-inflammatories, muscle relaxants and painkillers, physical therapy, steroid injections, bracing, and surgery. I understand that I have the right to a second opinion and to secure other options if I have concerns as to the nature of my symptoms, and I have the right to a second opinion and to secure other options if I have concerns as to the nature of my symptoms, and I have read or have had read to me the above content. I have also had an opportunity to ask questions about this consent form to cover the entire course of treatment for my present condition and for any future conditions(s) for which I seek treatment.

## PAYMENT

I understand and agree that health insurance policies are an arrangement between an insurance carrier and myself. I understand my insurance benefits are my responsibility; I will contact my insurance company with questions regarding my coverage. I will provide proof of insurance and complete all patient information prior to seeing the doctor. Furthermore, I understand that ProActive Chiropractic Care will prepare any necessary reports and forms to assist me in making collection from the insurance company. I authorize payment of insurance benefits directly to ProActive Chiropractic Care.

I understand all copayments and deductibles must be paid at the time of service. This arrangement is part of my contract with my insurance company. Failure on ProActive Chiropractic Care to collect copayments and deductibles from me is considered fraud. I will help in the upholding of the law by paying my copayment at each visit. I will also

authorize the doctor to release all information necessary to communicate with personal physicians, other healthcare providers, and/or payers to secure the payment of benefits. However, I clearly understand that I am personally responsible for all costs of treatment rendered, regardless of insurance coverage. I understand I am responsible for informing ProActive Chiropractic Care of any changes to my insurance plan. If my insurance company does not pay my claim within 90 days, I understand ProActive Chiropractic Care will bill my statement to me. I also understand that if I suspend or terminate my care and treatment, any fees for professional service rendered will be immediately due and payable. If I miss more than two chiropractic appointments without cancelling more than 24-hours in advance, I understand there will be a \$25 cancellation fee. ProActive Chiropractic Care will bill the charges directly to me. If I miss a massage appointment without cancelling more than 24-hours in advance, I understand there will be a \$20 charge for a 30-minute massage and \$30 for a 60-minute massage.
